

Commercial Warehousing Program

Manual Notices

Manual Notice 2007-1

From: Thomas R. Bohuslav, P. E., Director, Construction Division

Manual: Commercial Warehousing Program

Effective Date: December 01, 2007

Purpose

To notify users of the Commercial Warehousing Program changes in the manual.

Changes

General changes throughout the manual:

- ◆ Added acronym, CST-BMS, for the Construction Division, Business Management Section.
- ◆ Consistently referenced the Construction Division, Materials & Pavements Section as CST-M&P.
- ◆ Reference to forms are form numbers and form names or form numbers only instead of form acronyms or form names only.
- ◆ Access to forms is through TxDOT's Internet or Intranet forms webpage or logging in to the forms repository.
- ◆ Contract Services Office has changed to Office of General Counsel, Contract Services Section (OGC-CSS).

Specific changes include:

- ◆ Chapter 1, Introduction
 - Section 1, Program Purpose
 - Under subhead 'Inspection, Sampling, and Testing,' added warehouse requirement information to 'NOTE' for out-of-state warehouses.
 - Section 1, Program Purpose
 - Under subhead, 'Warehoused Materials,' deleted 16 items: A-103 Epoxy, Binder for Producing Epoxy Grout or Concrete, Concrete Adhesive, Concrete Curing Membrane, Epoxy Coating for Concrete, Epoxy for Crack Injection, Exposed Aggregate Surface Finish, Luminaires (various wattage), MBGL Posts, Pot Hole Patching Mix, Sign Mounts and Stub Posts, Surface Finish for Concrete, T-6 Rail and Posts, Traffic Marker Adhesive, Treated Timber Products, Waterproofing.
