Dear Ms. Castillo:

The funding table below is the total authorization of the allocations of Federal Transit Administration (FTA) Section 5303 and the current Federal Highway Administration (FHWA) PL-112 funds for Fiscal Year (FY) 2010 under the Revised Apportionment of Fiscal Year 2010, Notice 4510.715. The period of authorization is from October 1, 2009 to September 30, 2010 for activities outlined in the approved Unified Planning Work Program (UPWP). Please refer to the FY 2010 UPWP approval memorandum for any comments that need to be addressed before funds are expended.
