Manual Notice 2010-1

From: John P. Campbell, P.E., Right of Way Division Director

Manual: *R/W Manual Vol. 1 - Procedures Preliminary to Release*

Effective Date: December 01, 2010

Purpose

To update manual for new forms & agreements that are now available. To revise instructions for submitting local government payments to the Finance Division. To modify items shown on map title sheets, map plan sheets, and property descriptions. To add the option of filing a District Engineer affidavit (instead of a quitclaim deed) for existing roadways that do not appear in any conveyance. To replace the term Local Public Agency (LPA) with Local Government (LG). To eliminate references to district right of way sections, and replace those with the new regional structure.

Changes

Chapter 1, Section 2 - [General ROW Project Development](#): Removed reference to obsolete ROW Cost Estimate Worksheet (ROW-RM-1), and replaced with new ROW CSJ Request Form for Total Project Cost (ROW-RM-CSJTPC).

Chapter 2, Section 1 - [Forms](#): Updated the list of agreements used with local governments.

Chapter 2, Section 4- [Payment Procedures](#): Added reference to the Special Approval Transmittal Form to be used for arranging incremental payments, and revised instructions for transmitting local government payments.

Chapter 3, Section 1 - [TxDOT - The Acquiring Agency](#): Added another reference to the Special Approval Transmittal Form for incremental payments.

Chapter 4, Section 2 - [ROW Maps \(For State and Local Government\)](#):

- ◆ Added requirement that the map title sheet include all known utility facilities, including U numbers.
- ◆ In the Parcel Numbering System table, updated the explanation of a U number (example 21).
- ◆ Added requirement that the map title sheet include matchlines.
- ◆ Added requirement that each plan sheet show existing access control areas.

Chapter 4, Section 3 - [Property Descriptions](#):

- ◆ Revised requirement that property descriptions show Access Denial lines instead of Control of Access lines.
- ◆ Added option of filing a District Engineer affidavit (instead of a quitclaim deed) for existing roadways that do not appear in any conveyance.

All Chapters: Replaced the term Local Public Agency (LPA) with Local Government (LG). Eliminated references to district right of way sections, and replaced those with the new regional structure.

Manual Notice 2007-1

From: John P. Campbell, P.E., Right of Way Division Director

Manual: *R/W Manual Vol. 1 - Procedures Preliminary to Release*

Effective Date: July 01, 2007

Purpose

To correct hyperlinks throughout the manual due to conversions in TxDOT Forms Systems and TxDOT Manuals Systems. To update graphic file illustrating typical TxDOT heading on a property description. To remove redundant listing of all right of way forms, and replace with a hyperlink to TxDOT's right of way forms internet page.

Changes

Chapter 1, Section 1, Definitions: Changed "A list of terms ...is included" to "Terms...are included". Changed "Double click on the red and underlined..." to "Click on an underlined...".

Chapter 1, Section 1, Blank ROW Form Templates: Added a hyperlink to TxDOT's right of way forms internet page. Modified second sentence to read, "Click on a form number or title wherever a link appears in this manual to open or save it." Deleted sentence, "Users should read the Instructions before installing TxDOT templates on their computers." Deleted table listing all right of way forms.

Chapter 4, Section 3, Overview: Updated graphic file illustrating typical TxDOT heading on property description. New graphic does not show limits in the heading.

All Chapters: Corrected all hyperlinks to terms, forms, and example documents.
