Manual Notice 2019-1

From: Michael D. Bryant, Director, Civil Rights Division

Manual: *District DBE Compliance and Monitoring Guide*

Effective Date: January 24, 2019

Purpose

The *District DBE Compliance and Monitoring Guide* provides guidance for the District staff on the federal and state requirements of the DBE Program. This Guide contains the processes and procedures to be used by TxDOT to successfully accomplish all phases of DBE compliance from project initiation to project close-out. The procedures include District DBE Coordinator (DDC) responsibilities with respect to both federal requirements and state requirements.
