Manual Notices Archive**

Manual Notice 2021-1

From: Jessica Butler, P. E., Director, Transportation Planning and Programming

Manual: *Transportation Planning and Programming*

Effective Date: January 11, 2021

Purpose

The Transportation Planning and Programming Manual is reviewed at the start of each fiscal year. Updates have been made as appropriate to reflect current transportation planning and programming processes.

Contents

Chapter 2 – Texas Highway Trunk System is revised to clarify the status of the 2018 reevaluation.

Chapter 5 – Traffic is revised to clarify components of the travel survey program. More information is provided on Texas Racing Commission traffic analyses and TPP's role in Toll Forecasts. The Statewide Modeling Process is updated for current procedures.

Chapter 13 – Data Management is revised to list the responsibilities of the Data Management section.

Chapter 17 – Statewide Transportation Improvement Program is added as a new chapter.

Chapters 2, 3, 4, 5, 6, 8, and 10 are revised with minor edits.

Manual Notice 2020-1

From: Peter Smith, P. E., Director, Transportation Planning and Programming

Manual: *Transportation Planning and Programming*

Effective Date: May 01, 2020

Purpose

A single Transportation Planning and Programming Manual has been developed to replace several existing manuals concerning transportation planning and programming activities. It complies with federal and state administrative rules and has up-to-date business practices.

Supersedes

This manual supersedes the following manuals:

- ◆ Metropolitan Planning Funds Administration
- ◆ Transportation Planning Manual
- ◆ Transportation Planning Policy Manual
- ◆ Transportation Planning Process Manual
- ◆ Transportation Programming and Scheduling Manual.
